Section 39. KRS 5.010 is amended to read as follows:

For the purpose of ~~this chapter~~ ~~[legislative redistricting done by the Second Extraordinary Session of 1991]:~~

- (1) The boundaries of the legislative districts created by this chapter shall be those shown on the maps generated by the Legislative Research Commission's geographic information system to accompany ~~a{the}~~ redistricting plan enacted into law, except that, notwithstanding provisions to the contrary in this chapter, the boundary between Tudor and Stonewall precincts in Fayette County shall be as it existed on July 15, 1990, and as drawn on Fayette County precinct maps filed with the State Board of Elections. The official paper copies of these maps shall be on file with the State Board of Elections. A duplicate set of maps and associated population information shall be retained by the Legislative Research Commission.
- (2) (a) Designated precincts are those precincts in existence on July 15, 1990. Precinct boundaries shown in the maps referred to in subsection (1) of this section are taken from county precinct maps filed with

the State Board of Elections and verified and corrected by the Legislative Research Commission staff in consultation with county election officials.

- (b) Census tracts and blocks shown in the maps referred to in subsection (1) of this section are those utilized for the making of the 1990 United States Census.
- (c) Population data utilized for redistricting is the 1990 United States Census PL 94-171 population data that was deemed to be official by the United States Secretary of Commerce on or before July 15, 1991, and election precinct population data prepared by the Legislative Research Commission staff from the official PL 94-171 population data.

Section 40. The following KRS sections are repealed:

5.020 Redrawing of precinct boundaries -- Directions to county boards of elections.

5.030 Redrawing of precinct boundaries -- Directions to county boards of elections.

Section 41. (1) A small number of precinct names have been abbreviated in a way to preserve their identity while allowing them to fit in the space permitted for precinct names. In codifying this Act, the Reviser of Statutes is directed to include the full name from the State Board of Elections listing for any precinct whose name has been shown in an abbreviated manner within this Act.

(2) In the tables for legislative districts given in this Act, the single listing of a county or precinct within a county indicates that all of the territory of that county or precinct is within the specified district. If the name of a county or precinct is given on a separate line but the county is then repeated with precinct names on additional lines or the precinct is then repeated with census track and block numbers on additional lines, this indicates that only a portion of that county or precinct is within the specified district. In codifying this Act, the Reviser of Statutes is directed to remove the separate line entries for counties and precincts in those cases where the entire county or precinct is not within the specified district.
